

LBB Opportunity: Summer in Shakopee

The Gameplan

- Working with our trainer, David Van Winkle, to identify a potential runner at Tampa Bay Downs to claim/purchase and ship to Canterbury Park with the rest of his barn at the end of April.
- Looking for a horse to compete in AOC and Starter Allowance races, with purses \$30K+.
- Focused on, but not limited to, finding a sprinter as those are typically the most carded races at the meet.
- Hoping to get 2-3 starts out of the horse before likely trying to liquidate towards the end of the meet via claiming ranks.
